2022 Tax Information:

Planning is underway for the next tax season that will begin in February 2022. Volunteer income tax preparers will be doing tax returns free of charge. These tax counselors are trained to prepare uncomplicated tax returns including Minnesota Property Tax Refund returns. Tax Assistance will be provided to moderate income taxpayers with a special emphasis on taxpayers 55 years and older.

As may be expected, the COVID-19 epidemic is causing some operational changes to the program. It is anticipated that fewer tax sites will be open and those sites that are open will be operating in a different manner as in the past. Due to COVID, the time of contact between people needs to be reduced as much as possible. In order to accomplish this, the preparation of tax returns will be done in a "low-contact" manner. Though tax return meetings will be "low-contact" (masked and socially distanced by 3 feet), meetings will held be in-person and face-face.

You must bring the following items to your appointment:

- Your 2020 tax return due to new computer software.
- Social security card for yourself, your spouse and all dependents listed on the return.
- Copies of your W-2's, 1099 Forms, and proof of other income received by you/your spouse.
- If you are a RENTER, bring your signed Certificate of Rent Paid (CRP) prepared and signed by your landlord.
- If you are a HOMEOWNER, bring a copy of your 2020 property tax statement

Appointment Registration opens January 12th. Space is limited. Call TPAC 651-403-8300 to set up an appointment.
